While a huge number of retired officers have not received their personal copies of the Revised Pension Payment Orders despite having submitted the required details / documents long back, we are sighting hereunder a few specific cases pertaining to members of our association who have retired from BCCL.

You will please find from the above that in respect of all the cases, more than a year has passed after submission of the details /documents by the respective pensioners while in one case it is more than three years. Hence , we can conveniently understand that the Revised PPOs must have been prepared by now, but the same might be lying at your office and have not been sent either to the respective pensioners or to BCCL Hq. The non-receipt of the Revised PPOs are obviously causing extreme worries to the superanuated persons and taking away their mental peace. Some of our ex-colleagues have expired waiting for the Revised PPOs
 We would as such request you to please take immediate necessary action so that personal copies of the revised PPOs are made available to the pensioners without any further delay.

Thanking you,

Yours faithfully,

(SamirKumar Das)
