Subject: *Issuance of modified PPO with nominee details on CMPF PPOs by "Simplification of Pension Disbursement through SUNIDHI" the ambitious technology project of CMPFO notified on 13 Aug 2021*

Dear Sir,

You might be aware of the launching of the SUNIDHI project by CMPFO as communicated by their press release on 13th August'21. This had promised issuance of modified PPO with nominee details which, when implemented, is expected to streamline the settlement and disbursement of widow/widower pension. It is one year since then.

While CMPFO might be doing its job, we do not have any information on the progress made so far and the likely time frame of the project becoming operative. Many families continue to suffer with the existing system, which you would certainly agree, is avoidable.

In the meantime, most of our original CMPF pensioners have converted their single named self-operated pension accounts with banks to joint named with spouse cum nominee, changing the mode of operation from "self" to "former or survivor".

May I, therefore request your good self, also as a BOT member, to please impress upon the CMPFO commissioner to expedite the completion and implementation of the project at an early date. It would go a long to resolve an outstanding issue continuing for a long time.

I have also e-mailed a letter to the CMPF commissioner, Dhanbad on the subject copy which is enclosed for your information, please.

- With best regards
